

Sno' Time like Summer Time

In Downtown Midland 2012 Summer Sculpture Series

*In 2012 there is **Sno'Time like Summer Time in Downtown Midland.**
As we celebrate the 25th anniversary of the Santa House and the 75th year of Santa School, downtown Midland pays homage to our winter heritage in the heat of summer with SNOWMEN as the guest of honor in Downtown Midland all summer long.*

As in past years, artists can choose from a pre-form snowman or let your creative talents soar with a free-form snowman of your own design.

Pre-Form Artists Receive:

- a pre-cast fiberglass snowman and
- a \$50 stipend to pay for production and materials

Free-Form Artists Receive:

- a \$500 stipend to pay for production and materials

Whether a pre-form or free-form, the piece must be able to survive outside (weatherproof) and entertain our Downtown Midland guests all summer long. At the end of the season, all sculptures are auctioned with the proceeds helping to fund the 2013 Summer Sculpture Series!

In addition to featuring you, the artist, your piece, along with your biography, will be featured in the Summer Sculpture Guide all summer long. Successful artists will be treated to a Loons game where you will be our guest in the Chemical Bank Suite at Dow Diamond and introduced at that evening's game. You and your piece will be featured guests at the end-of-the-season Sculpture Auction and you will have the chance to win prizes as a Peoples' Choice winner and Judges' Choice winner.

Carefully consider the details on the [pre-form](#) and [free-form](#) Specification Sheets and submit your ideas by **5 p.m. Friday, FEBRUARY 10, 2012.**
